### How to join:

Others, including foreign nationals and young persons under the age of 18, may join the Society.

**Society** membership and renewals are available from Eric's Emporium and The Railway Shop only. They are not renewable online.

### Membership terms and conditions:

Please note that all membership applications will need to go through an approval process, which may take up to one month to be completed.

In the event of the Pontypool and Blaenavon Railway Company (1983) Ltd. being wound up, members may be liable to contribute no more than £10 in order to meet any debt of the Company. To make this agreement legally binding, it is necessary for the signature on an application to be witnessed. It doesn't matter who the witness is, provided they are not a close relative. Please do not submit application forms that are not witnessed for Company membership, as are unable to process these.

Company members also enjoy free membership of the supporting Pontypool and Blaenavon Railway Society. Young persons aged under 18, foreign nationals and others not wishing to become Company members may join the Society. No witness to the application is required in this case. However, all applicants aged eighteen must have their parents approve the application, and the applicant must provide their date of birth. Additional parental approval will be needed for young members who wish to undertake voluntary activities at the railway.
